

Some see rain as a gift and some as a curse, but everyone will agree that the Rain Drops Bargello Quilt Tutorial is a gorgeous way to make a quilt pattern. It looks like rain drops on a window pane, which is quite a zen image. Made with strips of fabric, you will find it difficult to find a [bargello DIY quilt](#) more simply beautiful than this one. The blue colors may be somber, but you could always make it in different colors to brighten up your home with a quilt pattern.
